The name "The Bank" was inscribed
in the local language, a mechanical thing that no longer worked.
It seems to have been capable of subterranean diving
and super-resistant storage of materials placed in the mechanism.

Category: Mechanisms / At least it had no sign of an ego.

Attribute: Anti + Subordinate / The heart of the device incorporated a power engine based on the "Explosion Phase (#FoT127)".

Location: T-No.244 / a vacant / Found in a vacant lot with nothing else to mention.

Appendix: Most of what would have been in the mechanism had been removed, leaving nothing but an empty rusty savings bank and a hunk of dirt.

現地語で「ザ・バンク」という名前が刻まれていた。
もう動かない機構物体。
地中潜行と機構内に入れた物質の
超耐劣化保存が可能であったようだ。

Category: 機構／少なくとも自我を持っていた痕跡はなかった。

Attribute: 背反＋従属／心臓部には「爆発の相（#FoT127）」を基にした動力機関が組み込まれていた。

Location: T-No.244／或る空き地／取り立てて他に言及すべきもののない土地にて発見。

Appendix: 機構内にあっただろうものはほとんど持ち去られており、錆びついた空の貯金箱と土くれ以外の何も残っていなかった。
